Grief is one of the most widely felt emotions but also one of the most misunderstood feelings. Every relationship is different which means every loss is different.

If you are dealing with grief related to the loss of a family member or friend, Huron Shores Hospice offers an 8-session educational program that provides a safe environment for you to look at your beliefs about dealing with loss, and provide actions that will lead you to complete unresolved emotions that may still be causing you pain. Our trained and certified grief recovery specialists® will facilitate your journey with compassion, confidentiality, and dignity.

The Grief Recovery Group is not a 'drop-in' support group. The program builds on each previous session, so attendance and commitment for the 8 sessions is essential.

For these in-person groups, we require all participants to be fully COVID 19 vaccinated. Furthermore, masks will need to be worn indoors as per facility requirements and physical distancing maintained when possible. Huron Shores Hospice offers virtual on-line programs as an alternate option to our in-person sessions.

For more information please email grief@huronshoreshospice.ca or call 519-385-5683.
